How you show up shapes everything

What you carry matters

What You're Carrying

- Student wellbeing
- Limited resources
- Growing expectations
- Community impact

Leadership =
How You Show Up

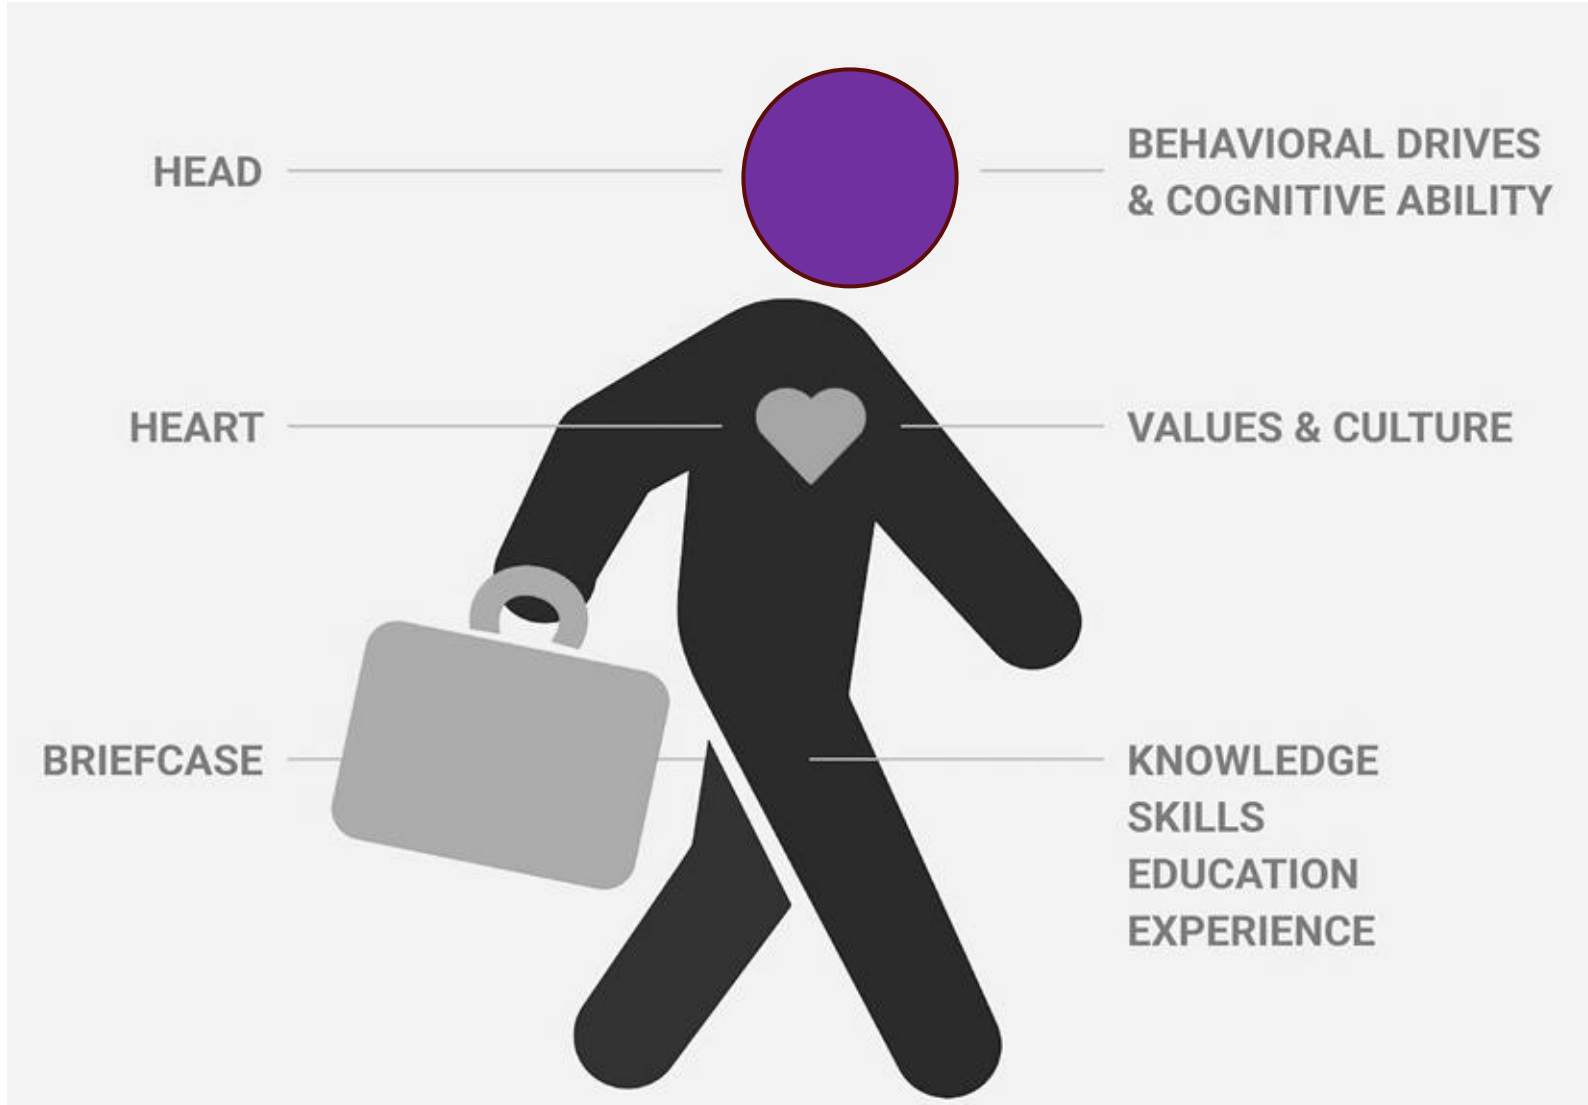

Awareness

How I show up impacts others

Intent ≠ Impact

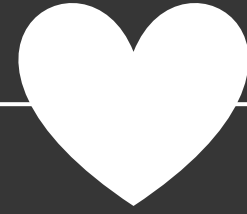

How people experience you matters

Head, heart and briefcase

*The whole
person
shows up to
work!*

**Don't just tolerate
differences.**

Love them.

Understanding people changes
everything

Presence Under Pressure

How I show up sets the tone

When It's Tested

- Student struggling
- Staff overwhelmed
- Resources limited
- Things don't go as planned

People won't
always
remember
what you
said...

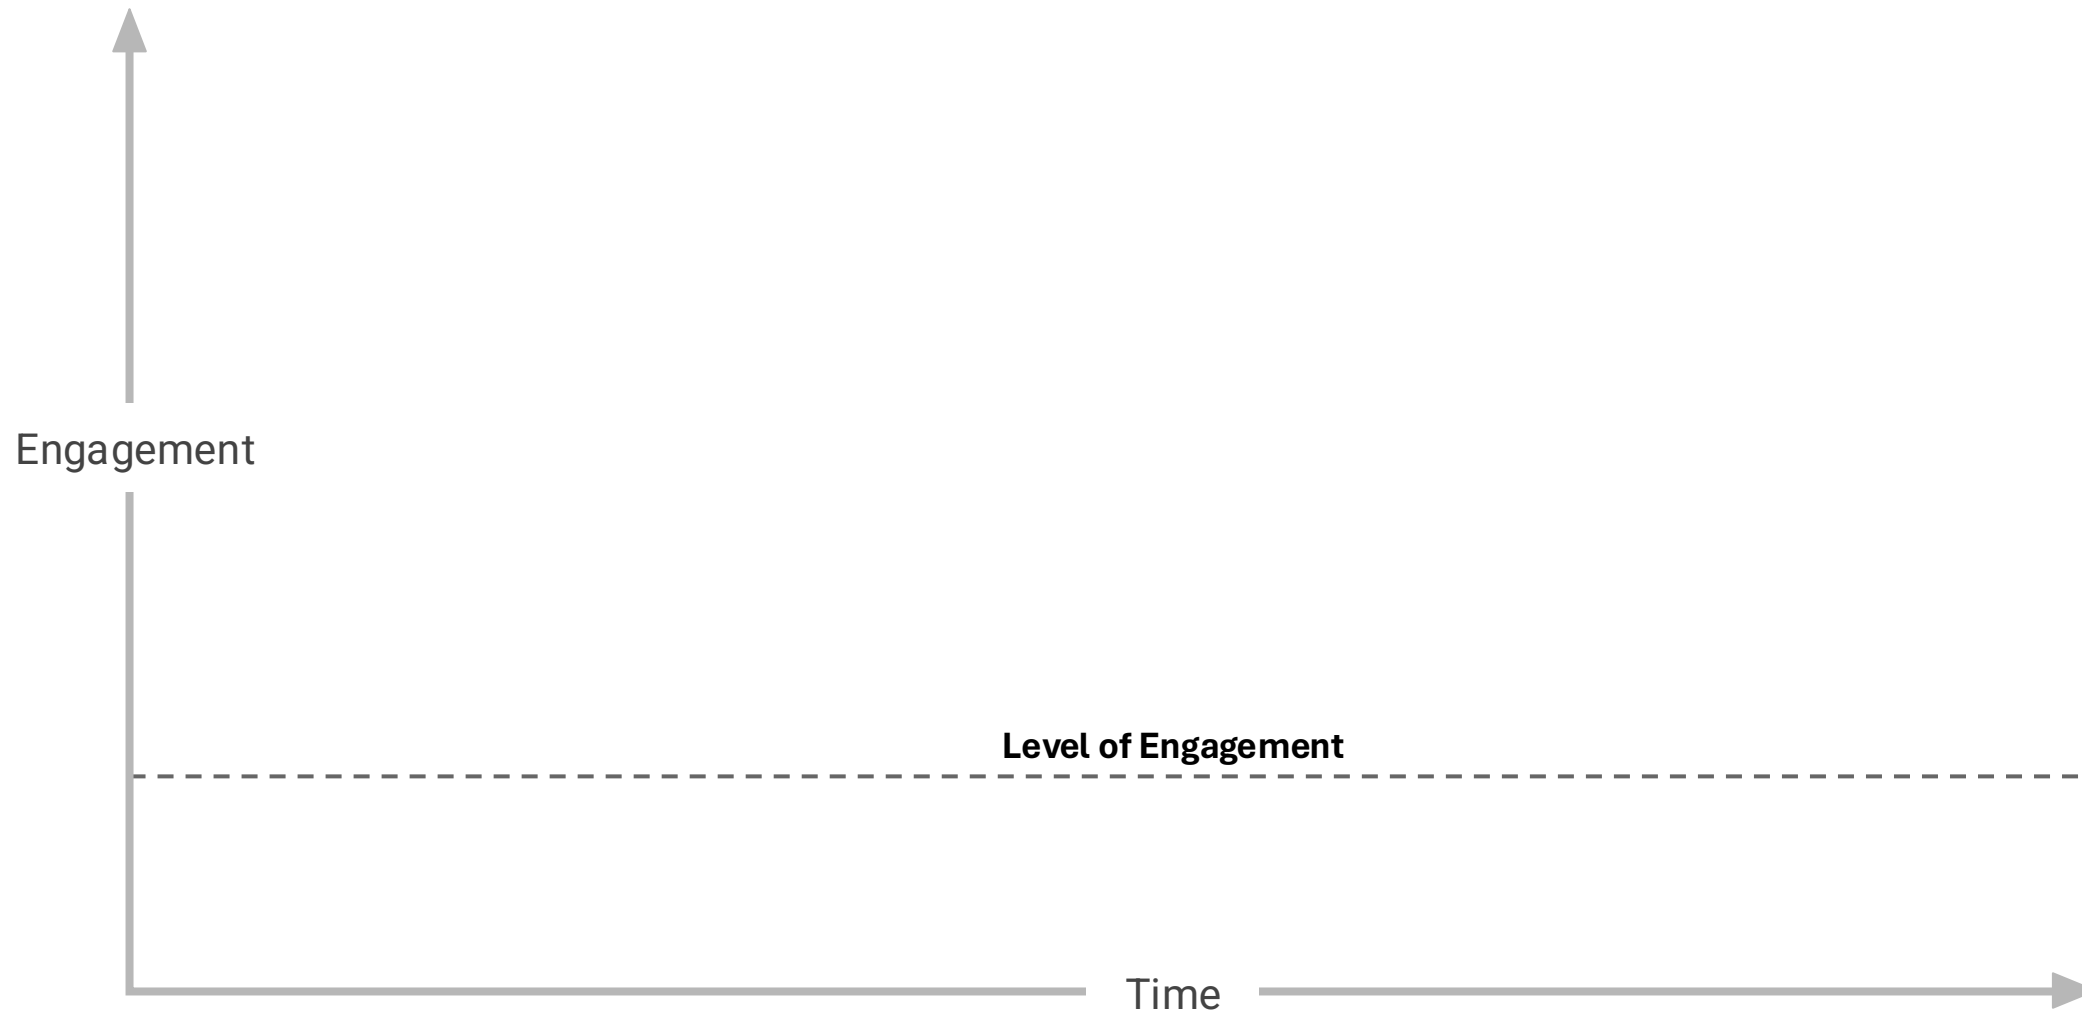

but they will
remember
how you made
them feel.

**Your presence
becomes the environment**

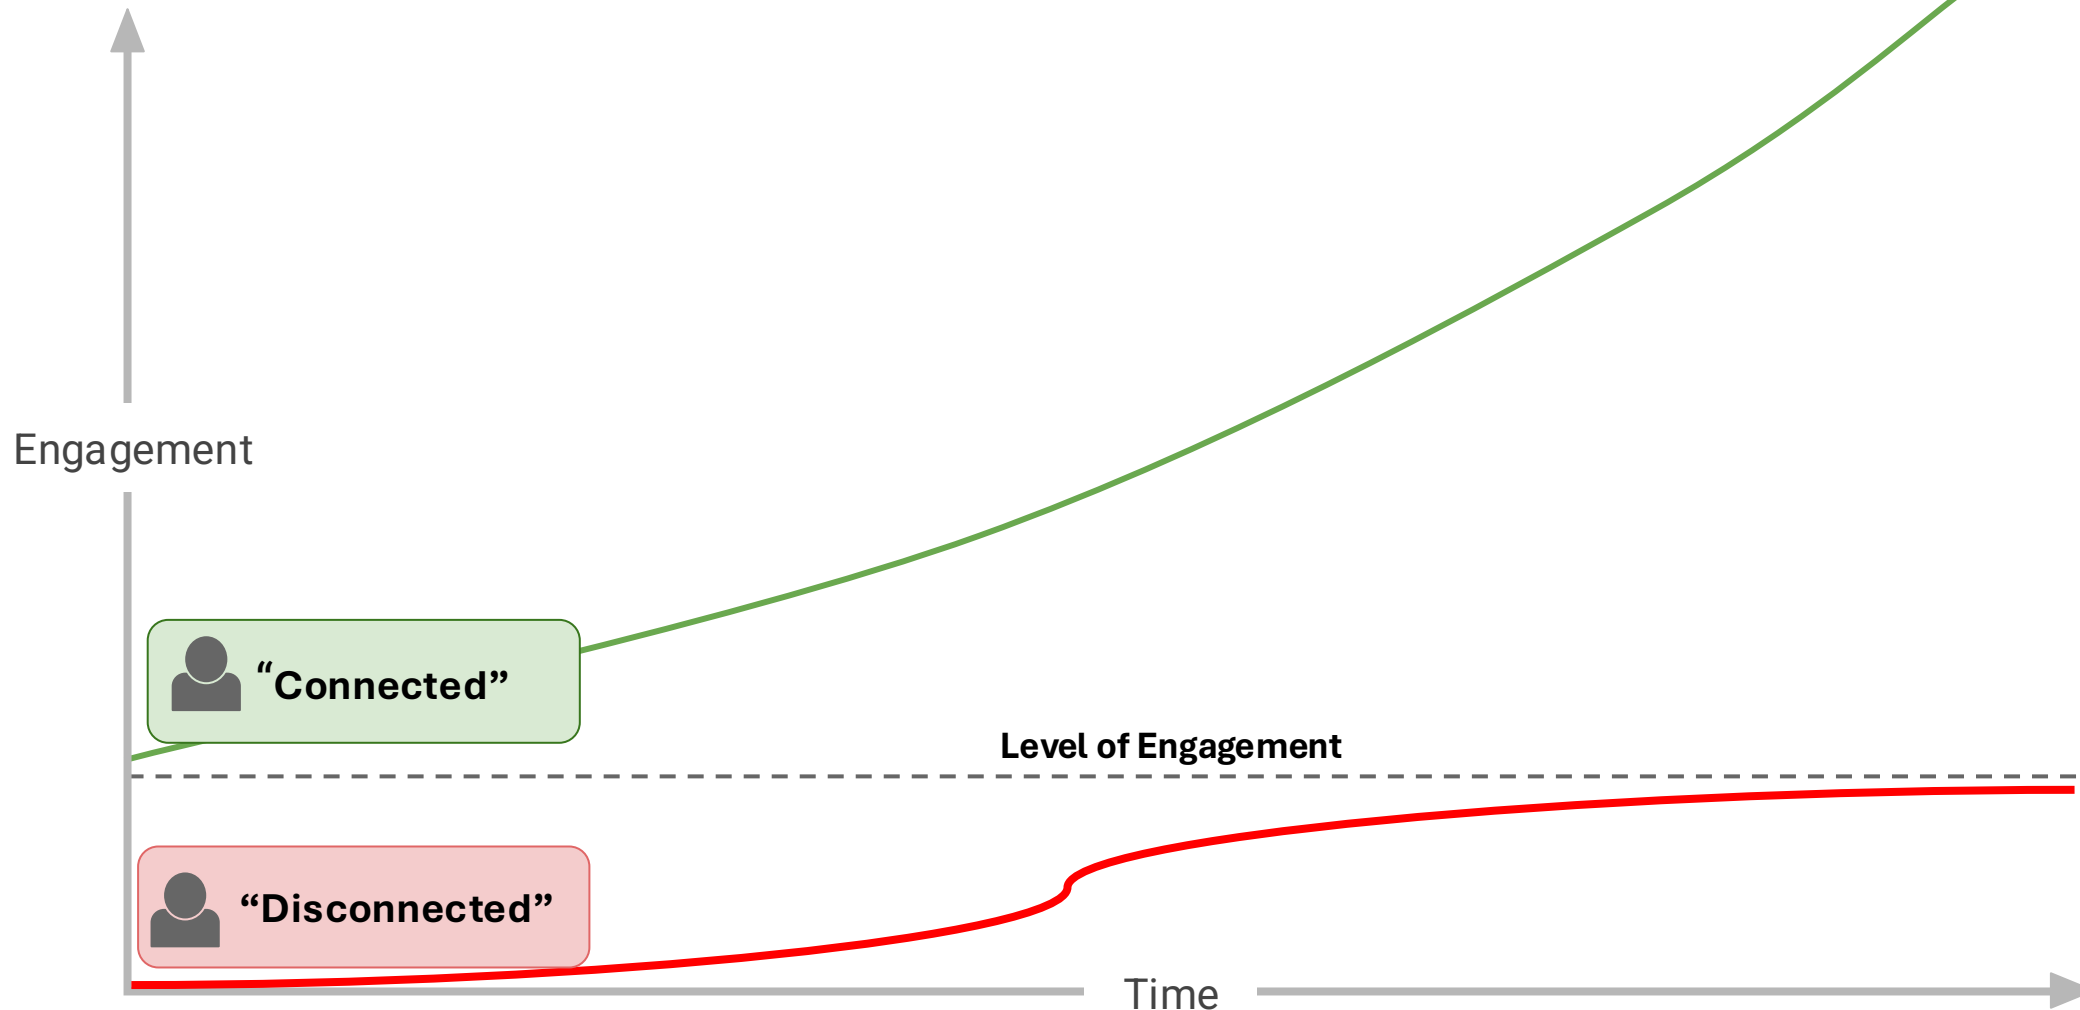

Purpose

Why it matters

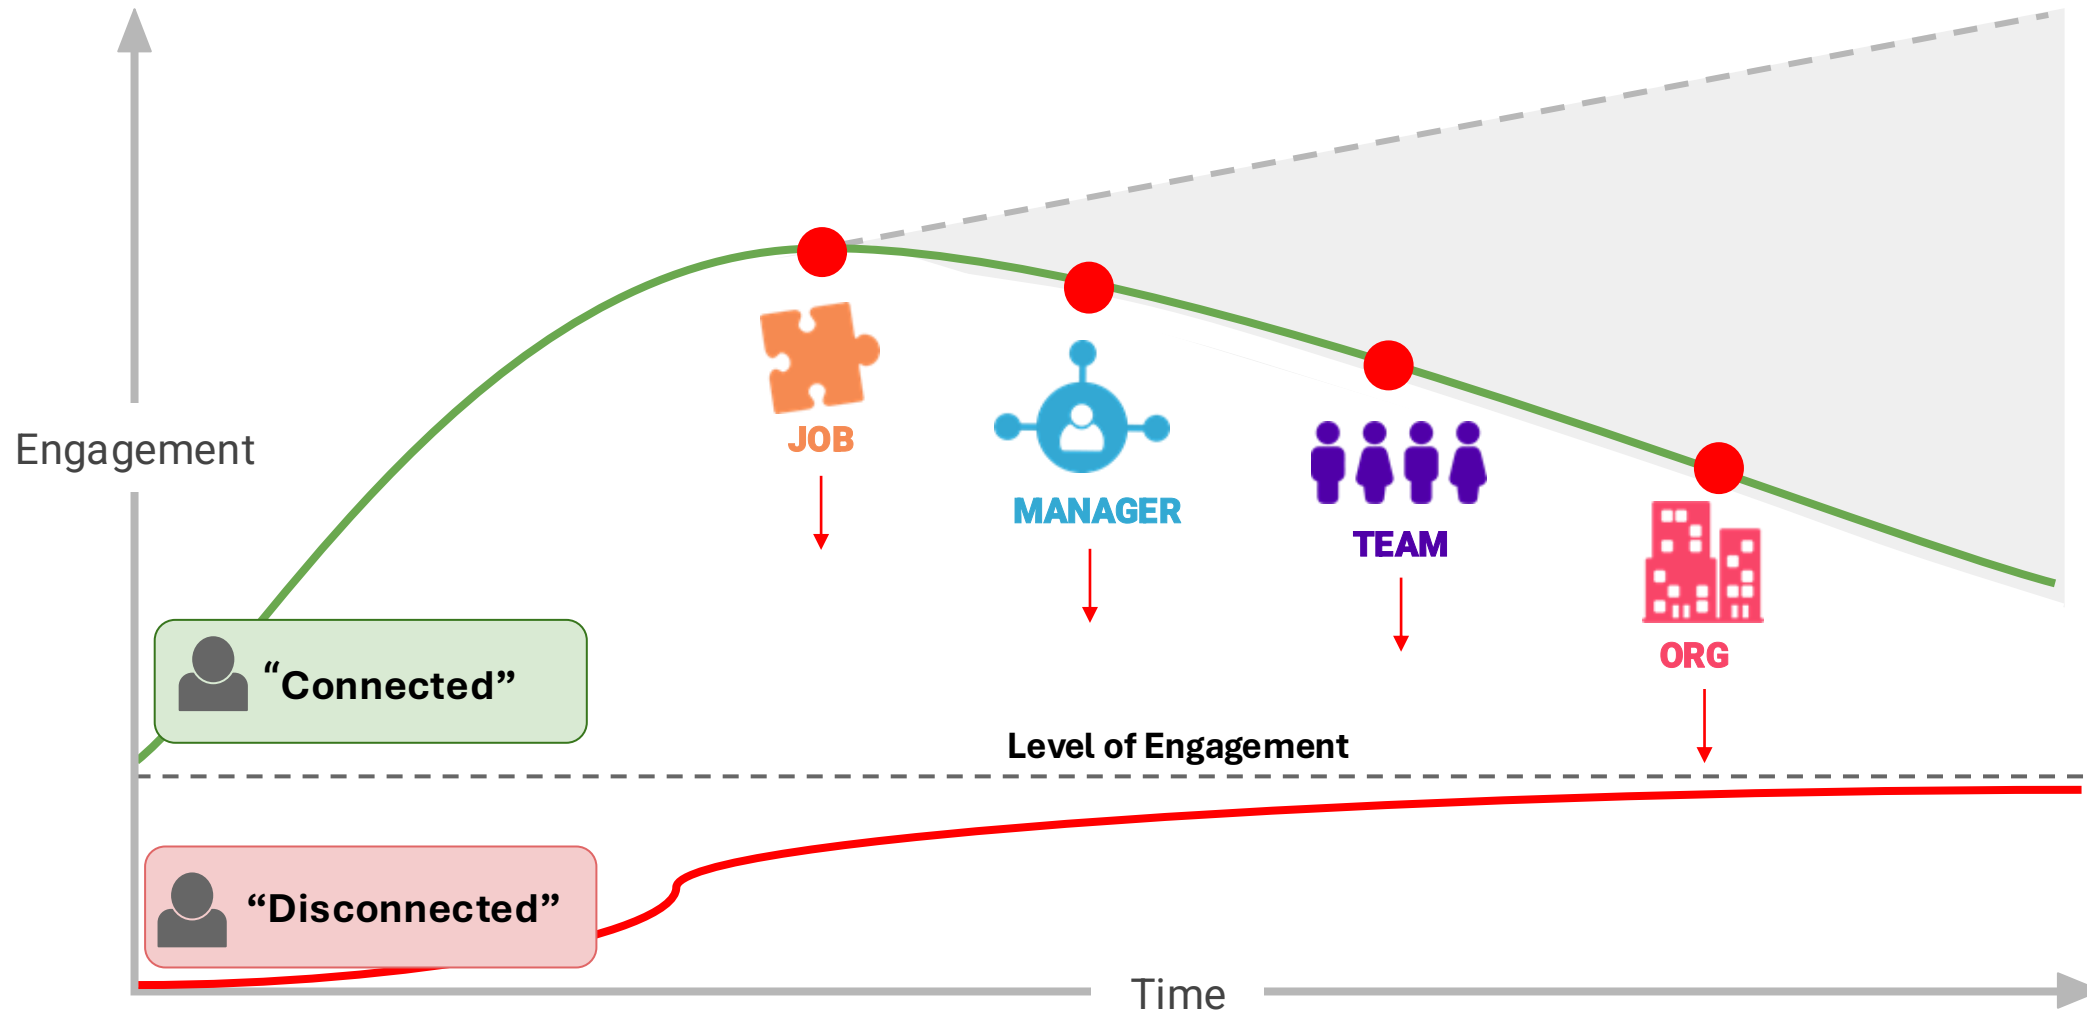

What Pulls Us Away From Our “Why”

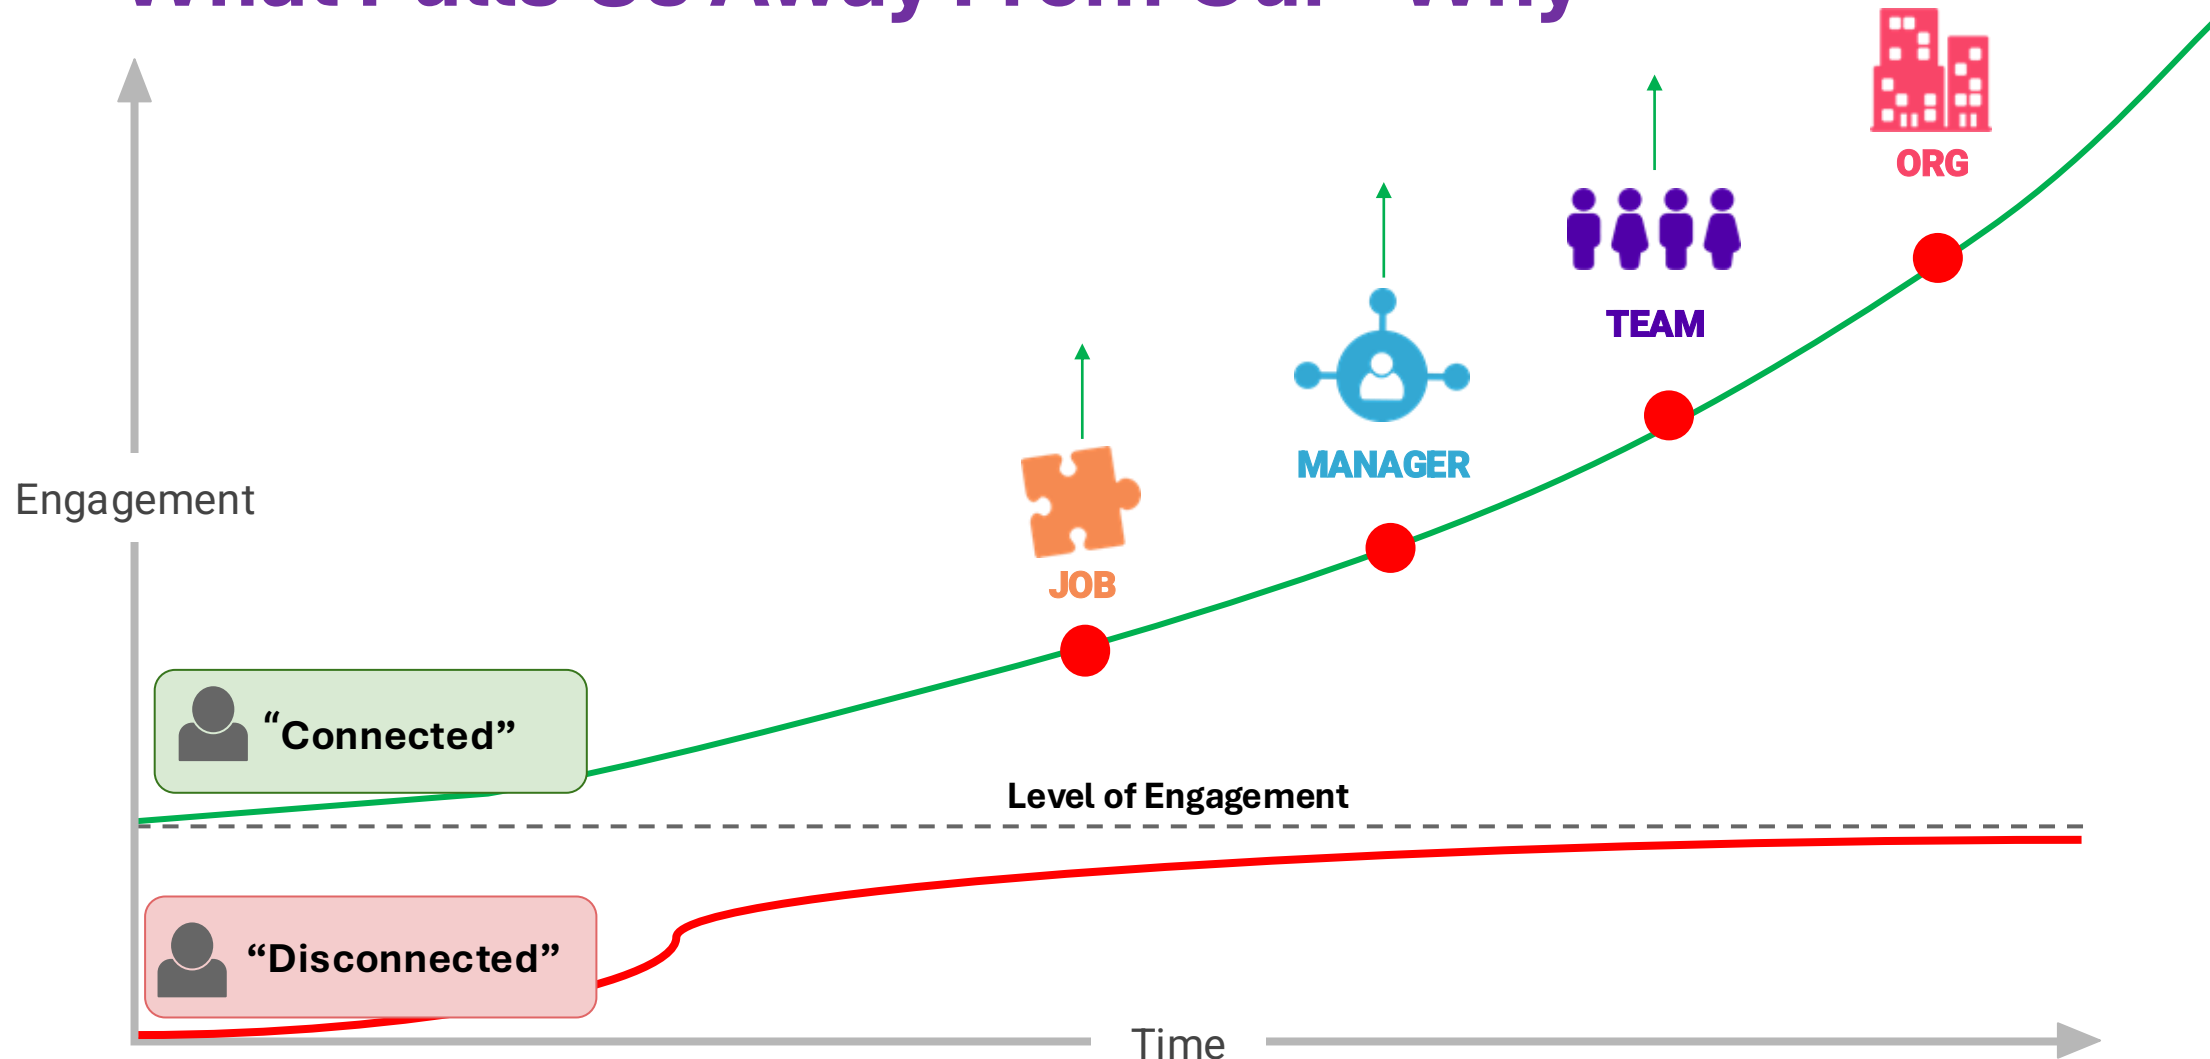

What Pulls Us Away From Our “Why”

What Pulls Us Away From Our “Why”

What Pulls Us Away From Our “Why”

We need what they need

You can't control everything But...you control how you show up

- Builds trust
- Shapes culture
- Impacts people

Thank you!!
